**Who is really
behind you?**

Ron Schwartz and his slate
want our community to
continue to pay high taxes
while getting little in return.

New Beginnings = Beginning of the end for Teaneck

And who is really behind them?

Former township attorney Martin Cramer

As township attorney blocked Ma'yanot from \$160,000 in Tax exemptions and wanted to limit Shuls in our neighborhoods.

The anti-Israel Teaneck Peace and Justice Coalition Supports pro Palestinian groups, while speaking vocally against the state of Israel.

The Left Wing Bergen Grassroots organization Holding a forum on Passover to block orthodox candidates from attending.

Their response: "we can't accommodate everyone."

Their agenda:

- Align themselves with left wing anti-Semitic people and organization.
- Anti development, even though development is the only way to stabilize our taxes.
- Put former township attorney Martin Cramer back in the reins.
- Put an end to building in the Orthodox Community.

Teaneck Taxpayers can't afford to have patronage and outside Party Politics running this town.
