Langford David A.	Post	\$5,022.00	\$5,022.00		\$1,460.00		Report is hard to follow. I believe it reflects repayment of loan and actual Receipt/expenses I've used are close. \$1,160 from T-3 Neighborhood Assoc.
Martin, Abram R.	A1	\$790.00					
Mian, Muhammad M.	A1	\$2,100.00			\$2,000.00		All from outside Teaneck
Parker, Lizette	Post	\$9,422.00	\$7,166.05	\$2,255.95	\$3,450.00	\$3,000.00	In addition to minor math errors there is a double count of a \$500 contribution and a failure to include an in-kind contribution on the expense side. I've tried to adjust properly so that the retained amount does not appear off by close to \$1000. As \$3000 was donated to the TNB campaign. I have removed that amount from this campaign n both the expense and receipt side.
O'Brien, Patrick D.	A1	\$1,312.20			\$1,312.20		All from candidate (as per campaign pledge)
Rose, Howard	A1

Notes:							

A1 report requires no detailed reporting as long as total receipts and expenditures are less than \$3500.

Notes:

Candidates who filed A1's are not required to report amounts. There results only show what they specifically reported. In calculating Expenses for TNB candidates, I split the TNB expenses equally and added Ms. Parker's expenses to hers. For Visions for Teaneck, split the candidates expenses equally but first I added the in-kind expenses of \$16,114 included in C. Gonzalez's report. The Unadjusted column give those expenses back to Gonzalez. For the total I added in the Tax Fairness in Teaneck expenses.
